 SAN FRANCISCO, CALIFORNIA 94111-3629

The parties are scheduled to appear before this Court on October 30, 2012, for status. At the last status conference on September 18, 2012, the parties advised the Court of a medical issue affecting Defendant Lawrence Goldfarb, due to which the Court had excused his appearance. The medical issue persists and Mr. Goldfarb will not be able to attend the scheduled status conference on October 30, 2012. In addition, due to the medical issue, the parties will not be able to conduct a settlement conference, which the parties had intended to conduct prior to the scheduled October 30, 2012, status conference, as ordered by the Court. In light of Mr. Goldfarb's medical issue, the parties respectfully request that the Court re-schedule the October 30, 2012, status conference to December 4, 2012 at 2:00 p.m., so as to allow the medical issue to be addressed and to allow the parties to conduct the settlement conference prior to the next status conference.

Further, pursuant to 18 U.S.C. Section 3161(h)(7)(B)(ii), the parties ask the Court to exclude time under the Speedy Trial Act from October 30, 2012, to December 4, 2012, due to the complexity of the case and to allow for adequate preparation for pretrial proceedings and due to Mr. Goldfarb's medical issue.
